The screenshot displays the user interface for an H5P test. At the top, the breadcrumb "larsa / test" is visible. Below it is the H5P logo, which consists of a blue square with "H5P" in white, followed by the word "test" in a bold, black, sans-serif font. A navigation menu is located below the logo, containing the items "H5P", "Settings", "Attempts report", and "More" with a downward-pointing chevron. A light orange banner below the menu contains the text "Attempt tracking will be stored." The main content area features the question "usynlig mangfold?" followed by a large illustration of a white iceberg floating in a blue sea under a clear blue sky. The iceberg is partially submerged, with its reflection visible in the water. A vertical grey bar is positioned on the right side of the illustration.
