Introduction Student Use of the Computer | Software Resources | Look Ahead

Introduction

Moving your computer out from behind your desk and into a learning center where students have access can stimulate you and your students to use the computer because the

Overview

The classroom computer, whether for learning, fostering cooperation, and opportunities for directed exploration, is available to you on your classroom experiences for your students.

3. Log back in

If user logs in from here, it **ALWAYS** returns to Lesson and the **extra pages** are inserted for no apparent reason.

BUT, if user navigates to site Front Page and logs in from there, then navigates back to Lesson Edit page, **NO EXTRA PAGES** in list!!
