changed the display replies to "flat, newest first"

Features Demo ► General ► here is a test forum in topic 0 ► here is a post in the

Display replies in nested form ▼

- Display replies flat, with oldest first
- Display replies flat, with newest first
- Display replies in threaded form
- Display replies in nested form

 **here is a post in the test**

the forum "jumped" to a whole different forum in topic 5 - nothing to do with this one at all:

[atures Demo](#) ► [Topic 5](#) ► [A single discussion](#)

Display replies flat, with newest first ▼

A single discussion

by [Admin User](#) - Saturday, 16 January 2010, 04:24 PM

There are no separate discussions here - just one thread. Useful for short, focussed discussions.
