

Plugins check

Plugins check

The following tables show the modules, blocks and filters that have been detected in your current Moodle installation; They indicate which plugins are standard, and which are not. All non-standard plugins should be checked and upgraded to their most recent versions before continuing with this Moodle upgrade.

Activity module			Blocks					
Directory	Name	Status	Directory	Name	Status	Directory	Name	Status
mod/assignment	Assignment	Standard	blocks/activity_modules	Activities	Standard	filter/acti		
mod/chat	Chat	Standard	blocks/admin	admin	Non-standard (about to be installed)	filter/alge
