Duplicate role

List

Role name Non-editing teacher full profile viewing

Short name noneditingteacher_fac-copy

Description Non-editing teachers can teach in courses and grade students, but may not alter activities.

This role is only for the purpose of overcoming Moodle Tracker bug: <http://tracker.moodle.org/browse/MDL-27177>.

Role archetype ? ARCHETYPE: Teacher (non-editing)

Context types where
this role may be
assigned

- System
- User
- Category
- Course
- Activity module
- Block
- Program
- Track
- Course Description
- Class Instance
- Program Management User
- User Set
